The UEFI Testing Work Group (UTWG) and the UEFI Industry Communications Work Group (ICWG) from the Unified EFI (UEFI) Forum would like to invite you to the upcoming UEFI Plugfest event in Taiwan this spring. This event will be hosted by The UEFI Forum and American Megatrends (AMI) at the [Capital Hotel](#) in Taipei from 18 – 22 March 2013.

The Plugfest is open to attendees from all UEFI member companies. The purpose of this event is to provide the computing industry with an opportunity to conduct interoperability testing with a variety of UEFI implementations, together with peers from throughout the UEFI community. Additionally, the event will feature technical presentations where UEFI Forum companies and industry thought leaders will share their ideas and plans on the future of client and server technology, UEFI advancements and key technology insights.

Please feel free to share this invitation with other groups / divisions in your organization that would benefit from attending the spring UEFI Plugfest.

On behalf of UEFI, American Megatrends extends a warm invitation to you to participate in this event – we look forward to seeing you in Taipei this March!

UEFI Plugfest Dates: March 18th-22nd, 2013

Setup Day: March 18, 2013 (Check-In session starting from 10:30am)

Location: Capital Hotel (No.7, Sec. 2, JianGuo N. Rd., Taipei, Taiwan)

Please reserve your place at the Spring 2013 UEFI Plugfest!

Online Registration for the event will open soon; further information will be available via the UEFI website at <http://www.uefi.org/events/>.
