

SUMMERFEST

An Interoperability and Education Workshop

Register Today for the 2013 UEFI Summerfest in Redmond, WA!

The UEFI Testing Work Group (UTWG) and the UEFI Industry Communications Work Group (ICWG) from the UEFI Forum, Inc. invite you to register for the first of two upcoming UEFI interoperability workshop and testing events scheduled for summer 2013. The 2013 UEFI Summerfest will include interoperability testing between attending companies, training events, and industry presentations. This event is being hosted by the UEFI Forum and Microsoft, with event sponsors to be named shortly.

[Click Here to Register Today!](#)

Location: Microsoft Campus, Redmond, WA.

Dates: Monday, July 15th to Friday, July 19th, 2013

UEFI Members, please register for the UEFI Summerfest workshop through the [UEFI Summerfest registration form](#) (requires Flash support in your web browser).

Please stay tuned for updates regarding the 2013 UEFI Summerfest. Agendas, schedules and other logistical information for this event will be provided as soon as possible.

Note: *UEFI membership is required to attend UEFI Workshop & Testing Events.* If you are not yet a UEFI member, please visit UEFI.org/join to learn about obtaining UEFI membership.
