

About the UEFI Forum

Through a collaborative approach with world-class companies, institutions and experts, the UEFI Forum advances innovation in firmware technology standards. These extensible, globally adopted UEFI specifications bring new functionality and enhanced security to the evolution of devices, firmware and operating systems.

Members aim to shape the future of personal and enterprise computing by:

- » Developing new firmware technologies
- » Improving system performance, security and interoperability through standards and best practices

Join the Forum

Membership is open to any company, organization or individual interested advancing the efficiency and evolution of UEFI specification and related technologies.

Membership Levels

The UEFI Forum offers two standard membership levels:

Adopter and **Contributor**.

Adopter Membership:

- ◇ COMPLIMENTARY membership
- ◇ General membership benefits:
 - Access to the Members-only web area
 - Invitations to member events
 - Access to UEFI technical tools and design guides

Contributor Membership:

- ◇ \$2,500 USD annual membership
- ◇ Adopter membership benefits listed above, in addition to:
 - Participation in UEFI Work Groups, by invitation
 - Participation in email reflectors
 - Access to draft specifications

Membership Benefits

Benefit	Contributor	Adopter
Chairperson Candidacy	●	
Voting Rights	●	
Contribute New Technologies to the UEFI Family of Specifications through Work Group Participation	●	
Work-in-Progress Specification and Private Github Access	●	
Published Specification Access	●	●
Marketing Programs Access	●	
Plugfest Attendance	●	●
Technical Expert Access	●	●
Members-only Collaboration Site Access	●	●
Email List Subscription	●	●
Listed as Member on Forum Website	●	●
Number of Participants	Unlimited	Unlimited

Did You Know?

- ◇ Founded in 2005
- ◇ Supported by 300+ members
- ◇ Develops and maintains
 - Advanced Configuration and Power Interface (ACPI) Specification
 - Unified Extensible Firmware Interface (UEFI) Specification
 - UEFI Shell Specification
 - UEFI Platform Initialization (PI) Specification
 - UEFI PI Distribution Packaging Specification
 - UEFI Self-Certification Test

Working Groups

- ◇ ACPI Specification Work Group
- ◇ Industry Communications Work Group
- ◇ Platform Initialization Work Group
- ◇ UEFI HII/Configuration Subteam
- ◇ UEFI Networking Subteam
- ◇ UEFI Security Subteam
- ◇ UEFI Specification Work Group
- ◇ UEFI Test Work Group
