

Fall 2018 UEFI Plugfest Registration

This form is for those who cannot access the online registration form. Some from Mainland China have not been able to access Google Docs.

Please fill out the registration below and email your completed form to Molly Wu at MollyWu@ami.com.tw.

October 15-19, 2018
Capital Hotel- DaZhi
No.288, Zhifu Rd., Zhongshan Dist., Taipei City 104, Taiwan (R.O.C.)
<https://www.capital-hotel.com.tw/en/branch/dazhi>

Setup Date: October 15, 2018
Meeting/Testing Dates: October 15-19, 2018

******IMPORTANT INFORMATION******

- Please remember that only UEFI Forum members may attend UEFI Plugfests. If your company is not a member, please go to <http://www.uefi.org/join> to establish a free adopter-level membership.
- Companies who would like to reserve a testing suite should request one with this form. Only one company/division member needs to request a testing suite but all attendees should register with this form. If additional testing suites are required, feel free to request additional suites.
- Attendees will be responsible for payment of their company's testing suite. Attendees staying overnight should also book a normal hotel room and are responsible for payment.
- Attendees may also use their testing suite for lodging purposes and/or arrange for lodging outside of the testing suites.
- Companies with stationary hardware to test **MUST** request a testing suite using the registration form. Meaning companies bringing hardware they want other companies to test on should request a testing room. At least one testing suite should be requested.
- Current hotel rate for the Plugfest is NT\$ 3,700/NT \$3,850 per night and may decrease if enough rooms are booked.
- A no-show fee may be invoiced following the event to any members or companies that register and do not attend. By letting us know in advance if your availability changes, we can confirm a more accurate headcount for food and other incidentals at the event. This helps save on any overhead costs for hosting the Plugfest, in which the savings are passed on for future Plugfest event planning.

If others within your organization would like to attend, please forward them a copy of this registration form

----- Registration closes Monday, October 1, 2018 -----

Event Contact Information

* If you have any registration questions, please contact with Molly Wu, American Megatrends Inc. (MollyWu@ami.com.tw)

* If you have any general UEFI questions, please contact the UEFI Admin at admin@uefi.org
